Thinking all kinds of floor, thinking us

WELCOME TO B FLOOR

We are supplier and installer flooring company located in Bangkok always offering the best product and services at the most affordable price.

WHY LUXURY VINYL FLOORING?

Luxury Vinyl tiles floors are a durable, affordable and attractive alternative to hardwood tiles, ceramic tile and natural stone.

Therefore, LTV flooring are not only stylish and simple to install, they are also easy to clean.

That's why no other kind of flooring offers the mix of styling selection, the facilities of maintenance and great value better than luxury vinyl flooring.
